

ST. DAVID'S SCHOOL

Middle School Science Instructor

St. David's School is currently seeking a **Middle School Science Instructor** for the 2022-23 school year. The ideal candidate will find joy in teaching science and sharing their love of learning with middle school students. Candidates should have a demonstrated ability in teaching difficult concepts in a way that is easy for young minds to comprehend and connect to larger ideas. Candidates will preferably have at least two years of experience teaching at the middle or upper school levels.

St. David's science teachers are voracious learners with a contagious passion for the subject of science. They seek to share their love of learning with students through hands-on, experiential learning. Candidates should inspire wonder in young men and women by encouraging them to examine the natural world. Instructors should be willing to use a variety of teaching methods and collaborate with others in the school in order to best meet the needs of all students. The candidate must fully embrace the school's mission, philosophy and traditions.

Salary and benefits are competitive, classes are small and the work environment is collegial. All candidates are encouraged to visit the St. David's School website at www.stdavidsschool.org to learn more about the mission and vision of the school and to apply for the position on our [Employment page](#).

3400 White Oak Road, Raleigh, NC 27609 | stdavidsraleigh.org | 919-782-3331
