

ST. DAVID'S SCHOOL

LOWER SCHOOL LONG-TERM STEAM SUBSTITUTE

St. David's seeks a talented and energetic substitute for a long-term sub placement for our Lower School STEAM program. This placement will begin in mid-August 2019 and will conclude after Thanksgiving. Qualified candidates will possess teaching experience in different lower school grade levels, PK – 4, and experience with concepts in engineering, coding, laptop and iPad devices. This position also manages the lower school math enrichment program and candidates should have experience with project-based learning and problem-solving activities. Candidates must have excellent interpersonal, communication and organizational skills, the ability to work well with colleagues, and the capacity to support, nurture and inspire students with a love of learning.

Ideal candidates will embrace the school's mission, philosophy, and traditions. Salary and benefits are competitive, classes are small, and the environment is collegial. All candidates are encouraged to visit the St. David's School website, www.stdavidraleigh.org, to learn more about the mission and vision of the school and start the application process.
