

CAMP INSTRUCTOR HIGHLIGHT

Look for our Instructor Highlights each week until Summer Camp begins where we feature one coach or instructor who leads one (or many) of our offerings. We think our camp instructors and coaches are the best and we want you to know them just as well. This week is...

David Simmons

Baseball Camp July 9th - 13th

“Coaching baseball for the mental aspect of the game is what I really love. Baseball is like a chess match in that every pitch of the game creates a totally different situation as the pitch before.”

-David Simmons

BIO:

Born and raised in Raleigh, NC David Simmons grew up loving and playing sports. His love for activity and service put him in the NC National Guard for six years and as a police officer, then lieutenant for 28 years. David began coaching in 1987 and his experience runs the gamut from t-ball to basketball, high school to little league. He has coached many young teams to State Championship status and is in his second year as the Head Varsity coach at St. David's. David's baseball philosophy is the same one he lives by every day. The think you are doing at the time should be the most important thing to you whether you are at church, in school, spending time with your family or on a ball field. If it isn't, it probably is not worth doing. David adopted this philosophy after following and admiring Coach Jim Valvano.
