

CAMP INSTRUCTOR HIGHLIGHT

Look for our Instructor Highlights each week until Summer Camp begins where we feature one coach or instructor who leads one (or many) of our offerings. We think our camp instructors and coaches are the best and we want you to know them just as well. This week is...

Janet Purvis

Jump Start - July 25 & 26

"I adore introducing kids to St. David's each summer through my camp. Jump Start is a great way to experience a day in the life of a middle schooler without having to take a test or quiz! All you need to bring is a great attitude and a smile! Hope to see you this summer!"

-Janet Purvis

BIO:

Janet has been teaching happily for twenty-nine years, seventeen of which have been at St. David's School. Each day is an exciting adventure as she travels the educational pathway. As an English teacher at St. David's School, she is passionate about books, words and the beauty of reading. Janet insists that when a child loves to read, and understands the "life in words," they will bring "words to life". She has been running the Jump Start summer program for year and is grateful to be leading it for rising 5th graders and new 6th graders at St. David's School again. After having been involved with this camp for many years she finds it is a great way for students to experience, first-hand, why our school is so special and how they can integrate themselves into the Middle School community immediately! Janet's personal joy is being with her eastern North Carolina family. From fishing and crabbing with her family at Bogue Sound to cookouts in Pollocksville, she finds her greatest joy is celebrating love, laughter, and memories with those she cherishes.
